

# **Washago Community Centre Corporation Alcohol Policy**

**Revised March 2016**

## **WASHAGO COMMUNITY CENTRE CORPORATION ALCOHOL POLICY**

### **Purpose of Policy**

- Ensure proper control, management and responsible use of alcohol during events and functions held at the Washago Community Centre;
- Reduce the risk of alcohol-related liability suits against the Washago Community Centre Corporation (W.C.C.C.); and
- To ensure public safety at all alcohol-related functions.

### **Goal Statement**

It is the goal of the W.C.C.C./Township of Severn that as many people as possible can enjoy our facilities in a manner that ensures the health and safety of the participants and the protection of the W.C.C.C./Township of Severn, and to provide for the orderly use of alcohol during events and functions.

### **Objectives**

1. To provide appropriate and reasonable procedures and education to individuals or groups wishing to hold events in order to encourage and enforce responsible drinking practices and adherence to the Alcohol Gaming Commission of Ontario (AGCO).
2. To ensure proper supervision and proper operation of events in order to protect the W.C.C.C./Corporation of the Township of Severn and its staff from liability arising therefrom, and to assist event sponsors in doing so by providing guidelines for proper supervision and proper operation of events.
3. To encourage and reinforce responsible, moderate drinking practices for consumers through the development of appropriate operational procedures, controls, training and education.
4. To honour the decision of abstainers not to drink alcohol and to encourage their participation by providing alternative, non-alcoholic drinks.
5. To provide for a balanced use of alcohol so the alcohol becomes a responsible part of a social function rather than the reason for it.
6. To promote the safe and responsible use of W.C.C.C./Township of Severn facilities and ensure that consumers, abstainers, adults, youth and families will be adequately serviced and protected.
7. To be proactive in the reduction of incidents including injury and death through the implementation of a W.C.C.C. Alcohol Policy.
8. To develop a W.C.C.C. Alcohol Policy that is easy to read and understand in order to maximize its use and adherence.
9. To review the W.C.C.C. Alcohol Policy on a regular basis.

### **History**

Municipalities inherently have an exposure to liability with respect to alcohol-related injuries due to the provision and rental of their facilities for events involving the use of alcohol. Essentially, the potential liability results from one of two areas:

1. As a provider of alcohol
2. As an occupier of the premises upon which alcohol is being consumed (i.e., rental function and W.C.C.C./Municipality controls the premises).

### **Conditions for Special Occasion Permits**

The person/group responsible for an event must obtain a Special Occasion Permit (S.O.P.) from the Alcohol and Gaming Commission of Ontario, and ensure that all the conditions of the Liquor Licence Act and the W.C.C.C./Township of Severn are adhered to for the event. The W.C.C.C. reserves the right to refuse any applicant permission to run a licensed event on its property and to impose on the event whatever restrictions it deems appropriate to the circumstances. Permits will not be issued by the W.C.C.C. for alcohol consumption at any youth focused event.

**Alcohol is Permitted within Licensed Areas Under a Special Occasion Permit in the Washago Community Centre (Main Hall)**

**Alcohol is Not Permitted in the washrooms, or multi-purpose/activity rooms or facilities, streets, and open spaces not specifically designated in this policy as eligible for alcohol use.**

All Special Occasion Permit holders are required to adhere to the conditions as outlined in the sections that follow:

## **SECTION 1 - DEFINITIONS OF EVENTS**

For outdoor events where fewer than 5,000 people per day are expected to attend, the permit applicant must give written notice of the event 30 days before the event to the clerk, police, fire and health departments of the municipality in which the event is to take place.

Staff members can ask individuals to cease the consumption of alcohol, they can ask the individual or organized group to leave the facility area, depending on the circumstances and nature of the violation (especially the potential of harm or loss of enjoyment by non-drinkers).
